West Main Street Church Bell and Steeple Cross to be restored

West Main Street in Middletown was the site of our second place of worship, a much larger structure than the Monhagen Avenue church and Priory.

When this property was sold to the City of Middletown

before construction of the Euclid Avenue church, we brought with us the original stained glass windows, the bell, the steeple cross, and the cornerstone.

Ongoing plans are for all these to be restored

and rededicated as part of the Centennial.

FAMILY EVENTS to participate in-

- 100th Anniversary ornament
